

17 October 1968

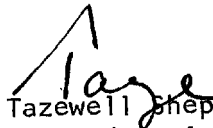

Dear George,

I was much impressed with your operation at the Agency and I'm sure that it is as thorough and professional as exists in this town.

Many thanks for giving me this insight and enjoyable lunch. Please call me before your next trip to the Pentagon around mid-day and we'll break bread in the Chairman's dining room.

With every good wish,

Sincerely,

Tazewell Shepard, Jr.
